Oncoinvent announces appointment of new Chief Financial Officer

02.01.2019

Press Release 02.2019. Oncoinvent is pleased to announce it has appointed Tore Kvam as Chief Financial Officer. Mr. Kvam has a extensive experience as CFO with several years also within the life science industry. He holds an MBA from the Norwegian Business School, BI and is a Certified European Financial Analyst (CEFA) from the Norwegian School of Economics.

“We are pleased to have Mr. Kvam join the Oncoinvent team and expect that his broad experience within financial management and in developing companies will add great value in our efforts towards the commercialization of Radspherin” said Jan A. Alfheim, Oncoinvent’s CEO.

About Radspherin®

Radspherin® is a novel alpha-emitting radioactive microsphere designed for treatment of metastatic cancers in body cavities. The radium-224 based therapeutic, Radspherin® has shown strong and consistent anticancer activity at doses being essentially non-toxic in preclinical studies. It is anticipated that the product can potentially treat several forms of metastatic cancer.

About Oncoinvent

Oncoinvent AS is a privately held Norwegian company based in Oslo, Norway. The company is committed to developing new innovative products to provide better treatment options to cancer patients. The company’s founders started Oncoinvent in 2010 with a view to designing better cancer treatments by applying known physical and chemical principles of selected novel materials in new ways to maximize their medical benefit while minimizing potential safety concerns. This approach has allowed the company to explore and develop multiple technological avenues before selecting a lead product candidate for preclinical testing.
